WALKER SCHOOL OF MINISTRY

The Walkers, Pastor Oliver and Helen have a passion for preaching and teaching the Word of God. They, therefore, started the Walker School of Ministry in 2006, and reopened again in March 2018. This school of Ministry is designed to provide an organized and structured series of courses for ministers and lay persons who want to improve their knowledge and preparation for ministry.

Currently, they are offering a program of study that comes from Phillips School of Theology at the Interdenominational Theological Center in Atlanta, Georgia. Students can take the course and receive a Certificate of Theology from ITC upon completion.

Other course offerings include basic Bible and life skill courses that are beneficial to family and Christian living. These classes include such areas as: marriage, parenting, spirituality, counseling, teaching, finance and more.

Classes are designed to be meaningful, effective and efficient. Most courses are designed to last 2-4 weeks each and offer certifications and/or preparation for students to assume leadership roles or go further in their educational pursuits. A new or updated slate of courses are offered throughout the year. Interested persons should contact the church office for more information.

Due to the pandemic, courses are currently limited and are held online. Watch for the announcement of new and updated courses as they occur.
